CLOVERBAR.CA

Student Name: _____

My student has registered for the Sport for Life Program (please check the box)

Please indicate your top three choices from each group for **both** Semester 1 (front page) and Semester 2 (back page) and number your selections **1, 2, 3 and 4** in order of preference. Only classes with enough numbers will be scheduled. Everything will be done to try to ensure that your first or second choices are met. **Form must be signed by a parent. (see back page)**

Please note: fee costs for each option are listed beside the option. **These fees must be paid in order to participate in the class.** Please carefully consider these costs prior to making your selections. Some courses also have additional costs noted for field trips, which must be paid prior to attending the trip. For more detailed information about fees, please visit our website at cloverbar.ca

Semester 1 – Group A

Art 8: \$13.50	Students explore materials, processes and ideas including drawing, working with clay, water colour, acrylics, sculpting, oil pastels and batik.
Outdoor Education 8: \$9.00 (Optional field trip cost up to a maximum of \$199.00)	Students will explore this sanctioned Alberta Conservation and Hunter Education Program. They will complete various aspects of outdoor survival throughout the year to complete certification. A year end camp allows students to apply their classroom knowledge living in the outdoors.
Myth Busters 8: \$10.00	Students will use science to challenge and discover the truth behind long-standing secret myths!
French 8 (Full Year)*: \$10.00	Students focus on acquiring basic and fundamental skills that can be applied to real-life situations.
Fitness and Wellness 8: \$62.50	Students learn the basics of a wide variety of games, exercises and workouts in the gym and Fitness Room, while focusing on the fun of play.
PLACE Peer Support: \$0.00 (very limited enrollment)	Students support PLACE students through participation in options and classroom supports.

Semester 1 – Group B

Sculpting 8: \$13.50	Students manipulate materials into 3-D creations and sculpt with materials like clay, wire, paper, cardboard, wood and stone.
T.V. and Broadcasting 8: \$5.00	Students explore the media world of broadcasting through video controls and on-camera announcing and interviewing.
Lego Robotics 8: \$10.50	Students will use Lego Mind Storms Education EV3 systems to design, build and program a fully functioning robotic system.
Band 8 (Full Year): \$127.50 (Program cost: \$62.50, instrument rental and repair fee \$65.00) (Optional band retreat cost up to a maximum of \$460.00)	Students to receive instruction on a musical instrument and then apply that learning during performances.
Drama 8: \$5.00 (Optional field trip cost up to a maximum of \$55.00)	Students learn about the dramatic process through movement, vocal and script work (scenes or monologues) storytelling, and collective creation.
PLACE Peer Support: \$0.00 (very limited enrollment)	Students support PLACE students through participation in options and classroom supports.

Semester 1 – Group C

Foods 8: \$43.50	Student learn to apply the basic principles of nutrition, wellness and food preparation.
Photography and Design 8: \$20.00	Students experiment with digital photography, stop motion animation, graphic design, screen printing and sublimation.
Construction 8: \$23.00	Students build a working clock and bubble gum machine of their own.
Sewing 8: \$30.25	Students will learn a variety of stitching and sewing techniques to support the creation of a self-selected project. All equipment and tools are provided by the school, but materials for the chosen project are the financial responsibility of each student
App Savvy 8: \$5.00 (Optional field trip cost up to a maximum of \$12.00)	Students will explore coding and programming to build a functional app.

***A full year course must be chosen in both semester 1 and 2 (ex. Band and French)**

Semester 2 – Group A

	Cartooning 8: \$13.50 Students learn how simple shapes are used to make their ideas come alive and to produce their very own cartoons.
	Outdoor Education 8: \$9.00 (Optional field trip cost up to maximum of \$199.00) Students will explore this sanctioned Alberta Conservation and Hunter Education Program. They will complete various aspects of outdoor survival throughout the year to complete certification. A year end camp allows students to apply their classroom knowledge living in the outdoors.
	Myth Busters 8: \$10.00 Students will use science to challenge and discover the truth behind long-standing secret myths!
	French 8 (Full Year)*: \$10.00 Students focus on acquiring basic and fundamental skills that can be applied to real-life situations.
	Fitness and Wellness 8: \$62.50 Students learn about the dramatic process through movement, vocal work, script work (scenes or monologues) storytelling, and collective creation.
	PLACE Peer Support: \$0.00 (very limited enrollment) Students support PLACE students through participation in options and classroom supports.

Semester 2 – Group B

	Art 8: \$13.50 Students explore materials, processes and ideas including drawing, working with clay, water colour, acrylics, sculpting, oil pastels and batik.
	T.V. and Broadcasting 8: \$5.00 Students explore the media world of broadcasting through video controls and on-camera announcing and interviewing.
	Sign Art 8: \$36.00 Students will create their own original hand-crafted wooden sign.
	Band 8 (Full Year): \$127.50 (Program cost: \$62.50, instrument rental and repair fee \$65.00) (Optional band retreat cost up to a maximum of \$460.00) Students to receive instruction on a musical instrument and then apply that learning during performances.
	Drama 8: \$5.00 (Optional field trip cost up to a maximum of \$55.00) Students learn about the dramatic process through movement, vocal and script work (scenes or monologues) storytelling, and collective creation.
	PLACE Peer Support: \$0.00 (very limited enrollment) Students support PLACE students through participation in options and classroom supports.

Semester 2 – Group C

	Foods 8: \$43.50 Students learn to apply the basic principles of nutrition, wellness and food preparation
	Photography and Design 8: \$20.00 Students experiment with digital photography, stop motion animation, graphic design, screen printing and sublimation.
