Student Name: _____

My student has registered for the Sport for Life Program (please check the box)

Please indicate your top three choices from each group for **both** Semester 1 (front page) and Semester 2 (back page) and number your selections **1, 2, 3 and 4** in order of preference. Only classes with enough numbers will be scheduled. Everything will be done to try to ensure that your first and second choices are met. **Form must be signed by a parent. (see back page)**

Please note: fee costs for each option are listed beside the option. **These fees must be paid in order to participate in the class.** Please carefully consider these costs prior to making your selections. Some courses also have additional costs noted for field trips, which must be paid prior to attending the trip. For more detailed information about fees, please visit our website at cloverbar.ca

Semester 1 – Group A

	Art 7: \$13.50 Students explore materials, processes and ideas including drawing, working with clay, water colour, acrylics, sculpting, oil pastels and batik.
	Hand Tools 7: \$33.00 Students create pre-cut projects using hand tools and finish the projects with paint and design.
	Band 7 (Full Year)*: \$115.50 (Program cost: \$50.50, instrument rental and repair fee \$65.00) (Optional band retreat cost up to a maximum of \$445.00) Students receive an introduction to band and then instruction on their instrument of choice leading to performances.
	Drama 7: \$5.00 (Optional field trip cost up to a maximum of \$55.00) Students learn about the dramatic process through movement, vocal & script work (scenes or monologues) storytelling, and collective creation.
	Choir 7 (Full Year)*: \$5.00 Students will explore an introduction into choral music and performances.
	Japanese 7 (Full Year)*: \$10.00 (Optional field trip cost up to a maximum of \$30.00) Students will acquire basic and fundamental Japanese language skills that can be applied to real-life situations.

Semester 1 – Group B

	Cartooning 7: \$13.50 Students learn how simple shapes are used to make their ideas come alive and to produce their very own cartoons.
	Fitness and Wellness 7: \$52.50 Students learn the basics of a wide variety of games, exercises and workouts in the gym and Fitness Room, while focusing on the fun of play.
	French 7 (Full Year)*: \$10.00 Students will acquire basic and fundamental French language skills that can be applied to real-life situations.
	Music and Pop Culture 7: \$0.00 Students will listen to many styles of music in a relaxed atmosphere to learn and discuss how music influences what is going on around us.
	Learning Strategies 7: \$0.00 Students will be provided with instructional supports, techniques and information to improve academic success.
	Lego Robotics 7: \$10.50 Students will use Lego Mind Storms Education EV3 systems to design, build and program a fully functioning robotic system.

Semester 1 – Group C

	Foods 7: \$43.50 Students learn the basic principles of nutrition, wellness and food preparation.
	Photography and Design 7: \$20.00 Students experiment with digital photography, stop motion animation, graphic design, screen printing and sublimation.
	Construction 7: \$24.00 Students use basic tools and machines to build and race a CO2 car.
	Sewing 7: \$30.25 Students will learn a variety of stitching and sewing techniques to support the creation of a self-selected project. All equipment and tools are provided by the school, but materials for the chosen project are the financial responsibility of each student.
	Scratch Video Game Design 7: \$5.00 (Optional field trip cost up to a maximum of \$12.00) Students program interactive stories, games, animations and share creations with others in the online community.

***A full year course must be chosen in both semester 1 and 2 (ex. Band, French, Choir and Japanese)**

Semester 2 – Group A

	Sculpting 7: \$13.50 Students manipulate materials such as clay, wire, paper, cardboard, wood and stone in to 3-D creations.
	Lego Robotics 7: \$10.50 Students will use Lego Mind Storms Education EV3 systems to design, build and program a fully functioning robotic system.
	Band 7 (Full Year)*: \$115.50 (Program cost: \$50.50, instrument rental and repair fee \$65.00) (Optional band retreat cost up to a maximum of \$445.00) Students receive an introduction to band and then instruction on their instrument of choice leading to performances.
	Drama 7: \$5.00 (Optional field trip cost up to a maximum of \$55.00) Students learn about the dramatic process through movement, vocal and script work (scenes or monologues) storytelling, and collective creation.
	Choir 7 (Full Year)*: \$5.00 Students will explore an introduction into choral music and performances.
	Japanese 7 (Full Year)*: \$10.00 (Optional field trip cost up to a maximum of \$30.00) Students will acquire basic and fundamental Japanese language skills that can be applied to real-life situations.

Semester 2 – Group B

	Art 7: \$13.50 Students explore materials, processes and ideas including drawing, working with clay, water colour, acrylics, sculpting, oil pastels and batik.
	Fitness and Wellness 7: \$52.50 Students learn the basics of a wide variety of games, exercises and workouts in the gym and Fitness Room, while focusing on the fun of play.
	French 7 (Full Year)*: \$10.00 Students will acquire basic and fundamental French language skills that can be applied to real-life situations.
	Music and Pop Culture 7: \$0.00 Students will explore a wide variety of music through a pop culture lens in a relaxed setting.
	Learning Strategies 7: \$0.00 Students will be provided with instructional supports, techniques and information to improve academic success.
	Hand Tools 7: \$33.00 Students create pre-cut projects using hand tools and finish the projects with paint and design.

Semester 2 – Group C

	Foods 7: \$43.50 Students learn the basic principles of nutrition, wellness and food preparation.
	Photography and Design 7: \$20.00 Students experiment with digital photography, stop motion animation, graphic design, screen printing and sublimation.
	Construction 7: \$24.00 Students use basic tools and machines to build and race a CO2 car.
	Sewing 7: \$30.25 Students will learn a variety of stitching and sewing techniques to support the creation of a self-selected project. All equipment and tools are provided by the school, but materials for the chosen project are the financial responsibility of each student.
	Scratch Video Game Design 7: \$5.00 (Optional field trip cost up to a maximum of \$12.00) Students program interactive stories, games, animations and share creations with others in the online community.

***A full year course must be chosen in both semester 1 and 2 (ex. Band, French, Choir and Japanese)**
