6) Trustee's Report: Trustee – Don Irwin (absent - written report submission below)

I hope you had a restful and well-deserved break over Christmas and New Year's and we look

forward to a return to more normal this term.

The board of trustees head has been busy in November with the assurance reviews for all the schools which went very well.

We are in the midst of our annual Elk Island Public school parent survey which takes place from January 6-18. Please take time to complete this as it is used for planning purposes.

January is also the month where we start to talk about student fees for next year. An initial discussion will take place in January and a proposal of fees will be recommended back to Parent Council either in February or March before being passed on to be included in the next years budget.

Student registration takes place in February, please watch for notice of this from the school.

The honours program for grades eight and nine we will continue at Sherwood Heights and Haythorne in Sherwood Park.

I welcome your questions and comments either at the Parent Council meeting or after by email text or phone. My contact information is below.

Working together with you for a successful school year for each student and family.
