April 12, 2022

Dear Parents and/or Guardians:

Fantastic news: Clover Bar Junior High staff and students will once again be participating in our school track meet! This mandatory, fun-filled day will take place on Tuesday, May 3, 2022. This is a regular school day and participation in the school meet is a part of your child's physical education assessment. Since May 3 is a regular school day all students are expected to attend.

Our meet will begin sharply at 8:45 AM at Strathcona Athletic Park (SAP - by Bev Facey). Students must sign in with their homeroom teacher before this time. Students will participate in their chosen events throughout the remainder of the day. We will be participating rain or shine (pending approval by SAP staff), so students need to ensure they have appropriate clothing and all necessary items for the entire day (including sunscreen, water, hat, food, etc).

Students will get to the SAP venue by parent arranged transportation. EIPS transportation will be dropping students at Strathcona Athletic Park and picking up at that location at the end of the day as opposed to coming to Clover Bar. Clover Bar will offer a shuttle bus starting at 8:30 and ending at 8:40 to the venue and again at the end of the day for those who need to return to the school. Students must remain at SAP for the entirety of the day. However, we may finish as early as 2:30 and students will be dismissed from school at that time (or from SAP for those who opted out of school transportation). Please indicate at the bottom of this form your method of transportation.

In addition, there will be a concession available throughout the day, with all proceeds going towards our PLACE students camp field trip.

Parents are welcome to join us! If you are available to assist at an event, please contact Ms Haring via email at sara.haring@eips.ca.

Thank you for supporting Clover Bar Phys. Ed. Please feel free to contact the school if you have any questions.

Sincerely,

CLB PE Teachers
